

CURICULUM VITAE

ALPAN MANGANTAR HUTAPEA

I am twenty three years old. I have background in Civil Engineering Diploma III at University Sebelas Maret of Surakarta, with a Grade Point Average (GPA) 3,50. And now I am completing a thesis about time and cost analysis using Building Information Modelling Revit as a requirement for completing applied undergraduate education at Sepuluh November Institute. I'm confident that my qualification and skills could make significant contributions to the company. I am a person who can work well as part of team and on my own. I am also hardworking, be careful and always eager to learn be the best version of myself.
